

GC4162

Desmond wood armchair.

Desmond seating is an excellent choice for any room with transitional or contemporary décor. Its clean lines and “picture frame” back design will appeal to a broad range of tastes. Desmond’s back contours provide firm support to the body for outstanding comfort. The frame, made from European Beech hardwood, is enhanced with soft curves on the arms and

legs. An additional brace on the lower frame reinforces structural support.

Product shown in Momentum Telegram, 09101343 Chocolate with TWM Tiger Walnut finish.

Desmond contoured picture frame style back.

Desmond arm with grip extension.

Desmond additional support rails increase strength.
